I'm Bored!

Now that we are coming off of a holiday recess, I am reminded of the days of no school and the statement we learned as kids in our house to never say: "I'm bored". As soon as that was said, one of two things would happen. Either we would be told to go outside and find something to do, or we were given a chore to do. I think that was a pretty clever way for my mom to get some help done around the house. Of course, we learned quickly not to say those two words, but rather find something to occupy ourselves.

When I think back on the days of being "forced" to solve boredom, which is really a state of mind and choice rather than an actual activity, we found a way to occupy our time that either was a form of work, or a form of play. If we weren't given a chore that was to be accomplished, we learned to use our imagination and build a fort and fight the enemy, or start a whiffle ball game, and create rules that would work with just two or three people. In other words, we learned that it is good to "get something done" or rely on creativity to solve a problem.

In school we try to do the same. Providing opportunities to challenge students in the academic world is essential to growth. Placing a problem in front of a student that has multiple pathways to a solution is like stretching and strengthening a muscle that needs to be worked out. Creating an environment that is safe to fail and grow from that failure is a life skill. It builds resiliency and creativity. Students learn the tools and resources that they have available to them, while also using a process that will work in many other aspects of their life. Learning then becomes less about the grade, rather it becomes more about the usefulness of what is learned, and how to apply that knowledge.

I look forward to the coming months to see how our students grow and build their skills for their future. And, if your kids are home, take my mom's advice.... Tell them "Don't say you're bored unless you're ready to do a chore."

Sincerely,

Todd G. Green, Superintendent of Schools

Got a question or Concern? Who do you contact?

Chain of Communication for Information

In the interest of promoting effective communication with our stakeholders, we have developed a checklist outlining the personnel to contact with a question and/or concern. Most often a question, or concern can be answered in a face to face discussion with the individual most closely in contact with the situation. In order to facilitate the use of this checklist, when you contact office personnel you will be asked if you have contacted the staff member most immediately involved in or responsible for addressing the question or concern. If you have done so and did not receive a response or resolution, then

Beaver River Central School Transportation

Drop-Off Policy

One Stop – One Alternate

In order to maintain the safety of our students being dropped off by a school bus, the BRCSD Transportation Department is instituting a clear policy on the number of drop-off locations for students. In the past, the School District has allowed multiple drop off locations depending on the day of the week, and other variables. However, we have found that with many locations for drop-off there is an increase in likelihood that a student may be dropped off at the wrong location. We understand that there may be childcare concerns for this year that have already been arranged by families. Therefore, there will be no change for the 2023-24 school year. However, beginning in the 2024-2025 school year the following transportation guidelines will be put in place:

Students will be allowed one primary drop-off location and one alternative (secondary) drop –off location. Both destination will be kept on file in the transportation office.

It will be assumed that each child will be dropped off at their primary location unless, a parent/guardian sends in a note for each day the student is to go to their alternative location.

Only notes given out by the transportation office will be accepted. Therefore, notes are to be written to the transportation office. (A school bus driver will not accept a hand-written note even if it is by the parent/guardian on file)

Understand that it is the parent's responsibility to have an adult present and visible at the drop-off site each afternoon for Grades PK-5. If no one is visible, the student will remain on the bus and return to school.

Elementary Principal

Dear Elementary Parents and Guardians,

The Elementary School was a vibrant place during the month of December. The elementary halls were decorated for Christmas. We had a Christmas concert for the fifth band and chorale. On the last day of school before break, we had our annual holiday sing-a-long which the music department puts on for the elementary students and staff. After the concert was finished, our Elementary Student Council announced the winners of the Pie-In-The-Face contest. Each year the student council selects one charity to donate the fundraiser to! The change was donated by students and put into a jug representing the staff member they wanted to Pie-In-The-Face.

Character Counts! Is back in full swing in the Elementary School. We had a kick-off assembly in November and our first pillar was Trustworthiness. The students who were nominated by their teacher for being Trustworthy had their picture taken and were given a certificate. The traits for the remainder of the year are:

- December - Respect
- January - Responsibility
- February - Fairness
- March - Caring
- April - Citizenship

Our Character Counts! Trait for January is Responsibility. Responsibility means putting forward ones's (students and adults) best effort and taking ownership of words, actions, and attitudes. If you can talk about this trait at home and discuss how it is valued at home, school, and work it would be greatly appreciated.

For February, our Character Counts! Trait is Fairness. Fairness is considering different perspectives and advocating for fair treatment for all. Fairness is a hard concept for children because they want to think of fairness as equal. However, we have to teach children that we are part of a community and not a society of individuals. It's important to know that we have to value and be fair to others' perspectives and opinions.

The Literacy Celebration Committee is working on a family event for February. Stay tuned for more details.

Sincerely,

Kimbely J Lyman Wright

Dr. Lyman-Wright
Elementary Principal

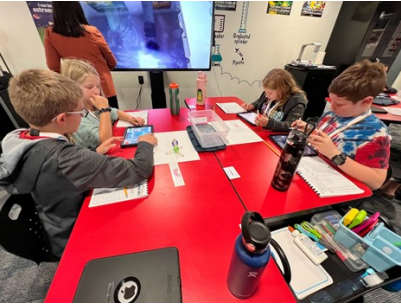

HOLIDAY FUN!

FIFTH GRADE NEWS

We have been busy “Beavers” for the last four months in fifth grade. Students have had several learning opportunities to get engaged and stay engaged in their learning. We traveled to Fort Drum to attend a week-long program sponsored by the DoD called STARBASE. Students had a week filled with challenging “hands-on, minds-on” activities in science, technology, engineering, and math. As part of our social studies “25 Days of Christmas Kindness” citizenship unit, students participated in community service and learned about careers by traveling to Croghan. Students helped clean up their community by shoveling snow and picking up litter. During their visit to Croghan, local businesses provided students an opportunity to learn more about the local community and what it takes to provide the much-needed services to the community that our students live in. We also had two special guest speakers, Marcus Hills and Matt Clark from Zehr’s Landscaping who did a presentation to fifth-grade students on careers in Landscaping. Students were treated to a trip outside to dig up a real live Christmas tree, that we used as our fifth-grade Christmas tree. Students learned how a landscaper digs up and keeps trees and other shrubs alive until they are sold. We are now keeping the tree outside and alive until spring when it will be replanted by the students. As the year moves forward, we will continue providing students with lifelong learning opportunities.

MIDDLE SCHOOL/HIGH SCHOOL NEWS

Dear Parents,

We had a great December, which provided a really good lead-in to the holiday season.

Our winter sports teams are practicing and playing. We have seen boys basketball, girls basketball, girls volleyball, boys indoor track, wrestling and bowling all working hard at practices and games.

We all enjoyed the High School Christmas Concert, the Elementary and Middle School Christmas Concert, and the Advent Concert. Congratulations to our students, and to our great music directors, Mrs. Virkler, Mr. McGrath, and Ms. Fidler for a wonderful concert season!

Students have started to meet with guidance counselors about next year's schedules and future plans. Be sure to contact the guidance office if you want to be a part of that meeting with your child. Parents in grades 8-11 are especially invited to be a part of these meetings.

Academically, this is an important time of year as we approach the end of the first semester. Students who are struggling in a course can make the changes now to be successful. Please reach out to teachers if there are courses that your students are struggling in. Additionally, students who are doing well in classes need to keep it up, as winter is an easy time to slide academically.

Juniors should be aware that the ELA Regents exam will be on January 23rd in the morning.

Also, the upcoming Junior Honor Society Induction for selected middle school students will be held on February 2nd at 8:45 a.m. in the school auditorium. Look for more information about that.

As we visit classrooms and activities, we continue to be impressed by our students and faculty. We have wonderful students and great teachers. Thank you for your continued support of the school community.

Sincerely,

Daniel Rains, MS/HS Principal

Troy Hebert, MS/HS Assistant Principal

Some middle school students made gingerbread houses to display at the Lewis County Historical Society, during the holiday season. The Gingerbread House competition had over 30 entries and hundreds of people voted. This group of 6th grade students earned 3rd place on their entry. Congratulations to this creative group of students on their hard work!!

SAFETY NEWS

Welcome back! As we begin 2024, after hopefully a relaxing and rejuvenating time with family, friends and loved ones over the holiday. With the winter driving season in full swing, I wanted to review a few pieces of bus safety. As a reminder, please give buses the room they require as they navigate the parking lots and roadways, especially during the winter months with the potential of increased stopping distances. Rules of the road regarding passing buses with their red lights on, also apply in our parking lots. As we all continue to transition to the new improved traffic flow in the large parking lot, please be mindful of not parking or stopping next to the school building that has now been delineated as a fire lane, or on the end of parking rows. We have many clubs, sports teams, and events that require our buses, and buses from other schools, to drop off and pick up students at the pool door entrance and elementary gym entrance at various hours in the afternoon and early evening. This is an area also used by emergency vehicles to access our school should the need arise and these vehicles also require more room to maneuver.

Recently you will notice two new digital school speed limit signs placed by the Town of New Bremen on Artz Road in front of the school. These signs will help remind motorists of the 20 mile per hour speed limit in this area near school between 7 a.m. and 6 p.m. on school days. The town has also placed more no parking signs on both sides of Artz Road in this same area to prevent motorists from parking on the shoulder of the roadway. This will help alleviate traffic congestion and the traveled lanes of the road becoming too narrow for emergency vehicles.

An exciting part of being the School Safety Officer is having many opportunities to interact with the students in various ways throughout the day. I have included a picture of one day in an elementary physical education class while they were “making popcorn” under the watchful eye of Mr. Lehman and Mrs. Kuhl. What a fun time as we “turned the heat up” on our “popcorn”. As always, we welcome your comments and feedback and look forward to new opportunities this calendar year and a continued safe school year.

SPECIAL EDUCATION NEWS

Greetings from the Committee on Special Education (CSE) office. January is a busy time for us as we begin the annual review process. We meet annually on every student that has an Individualized Education Program (IEP) or a Section 504 Accommodation Plan. Families are encouraged to attend as a part of the CSE/504 Committee. The purpose of the annual review meeting is to discuss each student's strengths and needs, and update current plans for the following school year.

Janet Andre', the Committee on Special Education Secretary, retired after a 36 year career with BRCS at the end of December 2023. Her knowledge, laugh, and warm personality will be missed! Thank you Janet for all that you have done! A familiar face, Michele Moore, is joining us as our new CSE Secretary. Michele is a 10 year employee at BRCS and worked as the transportation/buildings and grounds secretary. We are looking forward to having Michele as a part of our team. Welcome Michele!

If you have any questions or concerns about your child, please contact us. We can be reached via phone, parent square, and/or email.

Eliza Boliver
CSE Chairperson

Upcoming Events:

January 23 - 26: Regents Exams
January 26: End of 2nd quarter
February 2: Junior Honor Society Inductions
Elementary Report Cards Go Home
February 14: Staff Development 1/2 Day: All students released at 12:45 p.m.
February 15: Song and Sweets Concert 7:00 p.m.
February 19 - 23: February Break

Beaver River Central School
presents

2nd Annual

CAREER SHOWCASE

"Real World Ready"

Career Exploration

AM Session: Business Showcase
• Students in grades 7-12 will interact with local employers and explore the many career options available.

Career Preparation

PM Session: Mock Interviews
• Community business partners will interview and provide feedback to better prepare our students.
